The obligation to remove or block the use of information in accordance with general laws remains unaffected by this. We are not liable for such third-party information until we have knowledge of an unlawful act or information and, in the case of claims for damages, until we have knowledge of facts or circumstances from which the unlawful act or information becomes apparent, unless we would have acted immediately after gaining knowledge to remove the information and block access. We cannot reasonably be expected to continuously monitor the content of linked pages without concrete evidence of a legal violation. If we become aware of any infringements of the law, we will remove such links immediately after examining the facts.

Should you notice any infringement of rights on third party websites linked by us, we would therefore kindly ask you to inform us.
